Kochi, Dec. 6:

Federal Bank has launched missed call service for account holders in Chennai to recharge their mobile.

For availing the service, account holder shall do a one-time registration from his registered mobile number by sending the SMS ACTMOB<space><BeneficiaryMobileNumber><space><recharge amount><space><last three digits of the account number> to 9895088888.

Once registered, the beneficiary has to just make a missed call from his mobile number to 8431700700, and their phone will be recharged immediately and the amount debited to the account-holder's bank account.

Considering the exigency, the bank worked overtime to introduce this service, a press release said. The beneficiary can be either the account holder himself or any other person. The maximum amount of recharge that can be done using missed call service is limited to ₹500 per day per account. Customers may call the Toll Free number 1800 425 1199 for further details regarding the service.
