Banking sector more open to embracing tech solutions now: Karan Bajwa

Interview with Managing director, Microsoft India

Bibhu Ranjan Mishra | Bengaluru March 17, 2016 Last Updated at 00:46 IST

As it is getting ready to launch the newest version of its database management system SQL Server 2016, software major Microsoft has given an open invitation to organisations that are using competing Oracle database to migrate to its platform, with free licences. Microsoft SQL Server 2016 is slated to be released in June this year. Microsoft India's Managing Director Karan Bajwa explains to Bibhu Ranjan Mishra why the company is so bullish on its growth. Edited excerpts: Microsoft CEO Satya Nadella recently said 'data is the new electricity'. Why does the company believe ...
