MUMBAI: Country's largest lender [State Bank of India](#) today launched a new facility to enable its [employees to work from home](#).

The Board of the bank has recently approved the 'Work from Home' policy to enable its employees to work while at home using mobile devices to address any urgent requirement they may have, that prevents their travelling to work.

The lender will be using mobile computing technologies and shall have continuous control over all the enabled devices centrally to manage and secure the data and applications on the mobile devices, the bank said in a statement here today.

The use of technology and services shall be monitored through carefully designed MIS and dashboard to enable improvements and refinements, it said.
